

ABR Dynamic Blend Equity & Volatility Fund

Monthly Report – December 2021

FUND DESCRIPTION AND OBJECTIVES

The ABR Dynamic Blend Equity and Volatility Fund is a sub-fund of DMS UCITS Corrib Platform ICAV, an Irish collective asset management vehicle constituted as an umbrella fund with segregated liability between sub-funds with registration number C155133. The investment objective of the Fund is to achieve investment returns by investing at least 80% of the NAV in futures listed or traded on one or more recognized markets that provide exposure to US large-cap equity securities including volatility in the US equity markets. The Fund's performance target characteristics are to generate long-term outperformance with reduced swings and drawdowns, by producing:

- Partial equity participation in a bull market
- Outperformance of equities in a bear market
- Significant positive returns in a crisis
