

DMS UCITS PLATFORM ICAV

P/E FX Strategy Fund

An Irish collective asset-management vehicle constituted as an umbrella fund with segregated liability between sub-funds and authorised by the Central Bank of Ireland pursuant to the European Communities (Undertakings for Collective Investment in Transferable Securities) Regulations 2011 (as amended)

P/E FX STRATEGY FUND PROFILE

The P/E FX Strategy Fund is a sub-fund of DMS UCITS Platform ICAV, an Irish collective asset management vehicle constituted as an umbrella fund with segregated liability between sub-funds with registration number C141639. The investment objective of the Fund is to generate returns by investing in foreign exchange markets. The Fund will be invested primarily in foreign exchange futures and U.S. Treasury bills. The Investment Manager may also use foreign currency forward contracts for hedging purposes. The Investment Manager's foreign exchange strategy (the "FX Strategy") is focused on the international currency markets (as set out in the "Forecasting" section of the Supplement), including without limit emerging market currencies.

Disclaimers:

The value of the investment can reduce as well as increase and, therefore, the return on the investment necessarily will be variable.

Fluctuations in exchange rates may have an adverse effect on the value, price or income of the fund.

Neither past experience nor the current situation are necessarily accurate guides to the future growth in value or rate of return. Income may fluctuate in accordance with market conditions and taxation arrangements. Where a redemption charge is payable the difference at any one time between the sale and repurchase price of a unit in the fund means that the investment should be viewed as medium term to long term. The investment may be subject to sudden and large falls in value and the investor could lose the total value of the initial investment.

A prospectus, supplement and key investor information document for the fund are also available. These documents contain risk warnings and other information that should be read and understood prior to considering an investment in the fund.
