Mariana UK Equity Defined Return Fund

Class R-D (IE00BMH6QZ19)

A sub-fund of **Systematic Investment Solutions ICAV**

The Fund is managed by DMS Investment Management Services (Europe) Limited

OBJECTIVES AND INVESTMENT POLICY

Investment Objective

The Fund's investment objective is to achieve long-term capital appreciation, targeting gross annual returns of 7-8% over the long term, primarily through exposure to long-term opportunities in UK equity markets.

Investment Policy

The Fund is actively managed to provide exposure to the performance of a risk diversified portfolio of defined return investments linked to UK equity indices, such as the FTSE 100 Index and FTSE 250 Index and/or baskets of large cap / or highly liquid equity stocks listed or traded on Recognised Markets in the UK.

The Fund may invest in Financial Derivative Instruments, such as Swaps to meet its investment objective. The Fund will also seek to achieve its investment objective and to meet its payment obligations under the Structured Swap Agreements by (i) purchasing a portfolio of debt securities or (ii) purchasing a portfolio of equity securities and entering into an Asset Swap Agreement

The Fund may invest in cash and cash equivalents such as high quality fixed term deposits, fixed and floating rate instruments, banker acceptances, freely transferable promissory notes, commercial paper, floating rate notes, debentures, asset backed commercial paper, government bonds, investment grade corporate bonds and UCITS and eligible AIF money market or short term bond funds in order to meet its payment obligations under the Structured Swap Agreements or for cash management purposes.

The Fund will not have any industrial, sectoral or geographic focus, and such assets will be listed or traded on Recognised Markets in developed markets worldwide.

The Fund may use futures and options for efficient portfolio management purposes and to hedge the risks of the Fund in extreme market conditions.

Benchmark

As an actively managed fund, the FTSE 100, FTSE 250 and MSCI World indices are used as benchmarks for performance comparison purposes only; the performance of the Fund may differ significantly from those of the performance comparison indices.

Fund Currency

The base currency of the Fund and the reference currency of this class is GBP.

Risk Disclaimer

The Risk and Reward Indicator table demonstrates where the share class ranks in terms of its potential risk and reward.

The higher the rank the greater the potential reward but also the greater risk of losing money. The lowest category does not mean a risk-free investment.

The ranking is based on historical data and it may change over time. It also may not be a reliable indication of the future risk profile of the Fund.

Significant risks for the Fund not taken into account in this indicator include the following:

Counterparty risk: The counterparty to derivatives or other contractual agreement could become unable to honour its commitments to the Fund, potentially creating a partial or total loss for the Fund.

Derivatives risk: A derivative may not perform as expected, and may create losses greater than the cost of the derivative.

Liquidity risk: The Fund may be unable to sell certain investments readily at their fair market value. This may affect the value of the Fund and could affect performance.

Operational risk: Failures at service providers could lead to disruptions of Fund operations resulting in losses.

For more information about the risks of the Fund, please refer to the Risk Considerations section of the Prospectus and Supplement.

CHARGES

The charges you pay are used to pay the costs of running the Fund, including the costs of marketing and distributing it. These charges reduce the potential growth of your investment.

Specific Fund Information

This key investor information document describes Mariana UK Equity Defined Return Fund, a sub-fund of Systematic Investment Solutions ICAV. The Prospectus and the periodic reports are prepared for the entire ICAV.

The assets and liabilities of each sub-fund of the ICAV are segregated, which means that each sub-fund of the ICAV is a separate entity with, but not limited to, its own contributions, redemptions, capital gains, losses, charges and expenses and, therefore, a shareholder in the Fund is only entitled to the assets and profits of the Fund.

The Fund offers other share classes for the categories of shareholders as defined in the Supplement. Shareholders may transfer shares of one sub-fund or class into shares of another sub-fund or class. For more information, see Transfer of Shares section of the Prospectus.

The Net Asset Values per Share Class are available from the Administrator.
