

Waystone appoints Angela Leyesa as US Head of Compliance Solutions

June 17, 2025

Waystone, a leading provider of specialist services to the global asset management industry, today announces the appointment of Angela Leyesa as US Head of Compliance Solutions.

Since joining Waystone in 2019 as Managing Director, Angela has played a pivotal role in strengthening client relationships and operational excellence across the firm's compliance business. In her new role, she will lead Waystone's North America Compliance Solutions business, guiding clients through the ever-shifting regulatory landscape.

With over 20 years of experience across broker-dealer, investment adviser and exchange environments, Angela brings deep and practical expertise in trading surveillance, regulatory reporting, compliance programme development and regulatory examinations.

Following several years of strong growth, Waystone's Compliance Solutions team now includes over 100 professionals across North America, Europe, the Middle East and Asia. The team supports a diverse client base – including hedge funds, private equity and venture capital firms, broker dealers, banks and start-ups – in managing regulatory risk across their operations.
