

Waystone Elevates Cayman Islands Presence with Move to Premium Office Location

November 24, 2025

Waystone, a leading provider of specialist services to the global asset management industry, has relocated its Cayman Islands team to a new, premium office in Cricket Square.

The move represents Waystone's continued investment in its people, operations and clients, providing a modern workspace to encourage teamwork, spark innovation and deliver client-focused service while prioritising wellness. Cricket Square is home to a hub of leading firms and industry peers and offers top-tier health and wellness amenities, including a world-class fitness centre, farm-to-table dining and inviting outdoor spaces – aligning with Waystone's commitment to both employee well-being and exceptional client solutions.

From this enhanced space, the Waystone Cayman Islands team will continue delivering specialist services to a diversified mix of clients including dynamic, emerging and evolving managers alongside many of the world's largest financial institutions. Its service suite includes institutional governance, risk, compliance and corporate solutions, supporting a range of structures including investment funds, investment managers, general partners, special purpose vehicles and other private investment structures.

Waystone now operates from over 20 offices across Europe, the Americas, the Middle East and Asia. This development forms part of Waystone's wider global growth strategy, which has included the opening of a new office in Dubai earlier this year to enhance its presence in the UAE.

[Alaina Danley](#), Country Head, Cayman Islands – Waystone commented: *"We are excited to announce Waystone's move to the established Cricket Square. This move is about more than a new address – it's about creating an environment where collaboration and innovation is encouraged, and our team is empowered to deliver exceptional client solutions. By prioritising wellness and flexibility, we've designed a space that supports how we work today and how we'll grow together with our valued clients into the future."*

Waystone's new address in the Cayman Islands is: Suite 101 & 102, SIX Cricket Square, Cayman Islands, KY1-1103.
