IV. Voting rights and related matters

Save to the extent that an investor has chosen to invest in shares/units which do not carry voting rights, an investor has the right to vote (whether in ordinary or extraordinary general meeting or, where so permitted under the constitutive documents of the relevant collective investment scheme by way of a written resolution) on resolutions relating to the relevant collective investment scheme, sub-fund or share/unit class thereof in accordance with the conditions set down in the prospectus and constitutive documents of the relevant collective investment scheme. V. Entitlement to make a complaint

As an investor, you are entitled to file a complaint free of charge. Any such complaint must be handled by Waystone Fund Management (IE) Limited or its delegates promptly and effectively. Please note that the European Directive (2020/1828) on representative actions for the protection of the collective interests of consumers (the “Directive”) foresees the establishment of a redress mechanism for consumers. VI. Investor rights against the relevant collective investment scheme and its service providers

As an investor, you have a right of action against the relevant collective investment scheme of which you are an investor for any breach of contract.

Investors do not have any direct contractual rights against any service provider appointed in respect of the relevant collective investment scheme because of the absence of a direct contractual relationship between investors and such service provider.

Instead, the relevant collective investment scheme or Waystone Fund Management (IE) Limited, as applicable, has a right of action to pursue a service provider in respect of an alleged wrongdoing committed against the relevant collective investment scheme or Waystone Fund Management (IE) Limited by the relevant service provider.

An investor has a regulatory right of action to pursue the depositary which has been appointed by the relevant collective investment scheme in respect of (i) any loss of an asset held in the custody of such depositary or any of its delegates or (ii) of any other losses caused by such depositary’s negligent or intentional failure to properly fulfil its obligations under applicable regulations provided that this does not lead to a duplication of redress or to unequal treatment of investors in the relevant collective investment scheme.

VII. Representative actions under Irish law

Currently under Irish law, there is no formal representative action procedure in place which facilitates collective redress by consumers in respect of infringements of EU or national law. This means that any action brought in an Irish court relating to an infringement of Irish or EU laws governing collective investment schemes and their managers must currently be litigated on an individual basis.

Summary of Investor Rights

As mentioned above, a collective redress mechanism, as required under Directive (EU) 2020/1828, is expected to be implemented in Ireland by 25 June 2023.
